As no Pylon will be conducted and few Aerobatics entries have been received, the **Aerobatics** events will now be conducted at the **Strathalbyn Model Aircraft Club** field in conjunction with the Scale events. The Committee has looked at the program and has agreed these two events can be run at the field with minimal inconvenience. The only change on the Aerobatics program is the change of venue.

As only the **Novice Helicopter** events will be conducted, all will be conducted on Saturday and Sunday at the Noarlunga Field. Contestants can practice on any day beforehand at either Noarlunga or Holdfast clubs. The **NMAS** organising Committee will contact all contestants by post to ascertain catering requirements.

The **Indoor** Competitions will now be conducted on the Saturday only from 3.00 pm 11.00 pm. Practice only will be available at the Goolwa Hall on Thursday from 5.00 pm to 11.00 pm.

An additional unofficial **Control Line** event, **Vintage Combat**, will be conducted. Contact Rob Fitzgerald rfitzgerald@cssp.biz or phone 8139 1900 for further information.

The Nationals Committee has worked hard over the past 18 months to ensure the 59th Nationals are a success. We can assure a good time for all those who do attend.

Members of the organising committee will be on hand to assist throughout the event. Fields are ready, Catering is ready, and Contestants are ready. Let's have a successful event

We thank all members who have entered the events for their support.
