

Grant Application
For
Development of Aeromodelling Facilities
In
Western Australia
From Aeromodellers (W.A.) Inc.

Version 2.062014

GRANT GUIDELINES

1. Grant applications can be for amounts from \$500 to \$15000 for equipment, club or development project, or for any other upgrade of facilities. For new fields a grant of \$20000 is available.
2. The total amount of grants made available by AWA in a financial year is set at \$35000. This amount can be reviewed and club Secretaries advised prior to the end of the financial year for applications in the following financial year.
3. Grants for new fields will be given priority and then they will be assessed by lodgement date.
4. Clubs must have a minimum of 10 members to be considered for a grant.
5. Retrospective applications will not be accepted.
6. Any expenditure must be made after the grant is approved.
7. A grant for development will only be made available to clubs who have a lease for a minimum of 5 years (usually with further 5 year options) or ownership of the club site. Applications need to have at least 2 years of lease left before renewal.
8. A grant will be considered for legal cost of a lease on a new flying field.
9. The club will be expected to contribute towards the cost of any project being the subject for the grant application.
10. Please submit quotes for materials and labour. Costings can include the contribution of labour or goods at cost from club members. Payments will only be made after an invoice from the supplier is presented.
11. An AWA grant is conditional and only available to AWA member clubs that have MAAA affiliation.
12. Should the club cease to be a member of AWA/ MAAA, the grant shall be immediately repayable. AWA clubs must register all of its members with AWA and maintain its principal activity as the furtherance of aeronautical modelling.
